Part III.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

DARREN W. ARK

PRIMARY EXAMINER

 (Examiner/SPE Signature)

 (Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner indicated to applicant that further amendments to the claims would be necessary to define the desired invention over the prior art of record. Examiner stated that applicant's claims need to specifically recite the location and arrangement of the slots 4, windows 5, holes 6 and cork 7 with respect to the holder. Furthermore, the shape of the slots, holes, and windows should be recited to define over the prior art of record. Applicant agreed to the proposed changes to the claims and specification. Please see the Examiner's Amendment for details.
